| <u>Uverstitev</u>                   | <u>Priimek in ime</u> | <u>Poeni</u>       | <u>Točke</u>      |
| 1                                   | Benedik Klemen        | 1.790              | 100               |
| 2                                   | Kejžar Boris          | 1.570              | 80                |
| 3                                   | Veselič Renato        | 1.430              | 70                |
| 4                                   | Marenk Mitja          | 810                | 60                |
| 5                                   | Mohorič Blaž          | 900                | 50                |
| 6                                   | Avsenik Peter         | 640                | 48                |
| 7                                   | Rihtaršič Janez       | 620                | 46                |
| 8                                   | Gartner David         | 610                | 44                |
| 9                                   | Bizjak Franc          | 590                | 43                |
| 10                                  | Krajnik Stane         | 520                | 42                |
| 11                                  | Bertoncelj Branko     | 370                | 41                |
| 12                                  | Mohorič Iztok         | 270                | 40                |
| 13                                  | Thaler Janez          | 200                | 39                |
| 14                                  | Rihtaršič Gabrijel    | 200                | 38                |
| 15                                  | Gortnar Darko         | 180                | 37                |
| 16                                  | Benedičič Luka        | 120                | 36                |
| 17                                  | Benedičič Peter       | 120                | 35                |
| 18                                  | Habjan Grega          | 110                | 34                |
| 19                                  | Tolar Martin          | 100                | 33                |
| 20                                  | Prezelj Bojan         | 70                 | 32                |
| 21                                  | Benedičič Brane       | -50                | 31                |
| 22                                  | Gajgar Janko          | -60                | 30                |
| 23                                  | Bertoncelj Uroš       | -80                | 29                |
| 24                                  | Klemenčič Martina     | -160               | 28                |
| 25                                  | Šinkovec Tone         | -400               | 27                |
| 26                                  | Golija Dominik        | -410               | 26                |
| 27                                  | Benedičič Alojz       | -520               | 25                |
| 28                                  | Šuštar Iztok          | -530               | 24                |
| 29                                  | Pfajfar Frane         | -540               | 23                |
| 30                                  | Demšar Frane          | -560               | 22                |
| 31                                  | Habjan Toni           | -570               | 21                |
| 32                                  | Potočnik Janez        | -640               | 20                |
| 33                                  | Šink Ferdinand        | -840               | 19                |
| 34                                  | Mohorič Jože          | -890               | 18                |
| 35                                  | Reya Brane            | -900               | 17                |
| 36                                  | Košmelj Jože-Mer      | -910               | 16                |
| 37                                  | Demšar Jurij          | -940               | 15                |
| 38                                  | Reya Jože             | -1.110             | 15                |
| 39                                  | Pintar Boštjan        | -1.120             | 15                |
